

Providing Employee Benefits and Administration for over 50,000 Small Businesses, Associations and Chambers of Commerce

Is your Company distressed with the High Cost of Medical Plans?

Do you need and want affordable health insurance?

The **Salem Chamber of Commerce**, in a continuing effort to serve the small business community works with **Health Services Administrators** who will provide a free consultation to help you and your employees successfully navigate through the complexity of medical insurance.

Getting health insurance shouldn't be a burden. We want to give you the coverage you deserve, at an affordable price. We strive to make it easy for you .

- You will be provided accurate quotes from **all the major carriers.**
- A **unique** Spreadsheet will compare Deductibles, Benefits & Co-Payments.
- You don't have to become an expert; leave that up to us!
- We'll take the guesswork out of all of the acronyms! (HMO, PPO, HSA, HRA, HDHP etc...)
- You can have reviewed and explained all options available to your Company by a seasoned health care representative.
- You will be provided a dedicated representative to service your account
- We will work diligently to **reduce your Monthly Premiums**
- Your account will be administered for you from underwriting through the approval process.
